

13th February 2023

Dear Parent / Carer

S5/6 Parents' Evening

As you are aware, S5/6 Parents' Evening will take place on **Monday 27th February from 4pm – 6pm.**

Following the end of COVID-19 restrictions we are delighted to be able to return to in person appointments in the assembly hall, and to simplify the process an online booking system is in operation to enable you to schedule appointments with your child's teachers.

To make your appointments please go to: <https://parents-booking.co.uk/dumfrieshigh>

Full details of how to log in, and book appointments are contained in the 'Parents Booking – Parent Guide' which is also attached to this email.

The booking system will be opened for bookings from **6pm on Tuesday 14th February** and will close for bookings at **6pm on Sunday 26th February.**

Should you have any difficulty booking online, please contact the school office for assistance.

The evening will provide a valuable opportunity for you to discuss your child's progress in each subject area and help inform next steps as they head towards the final examinations and consider option choices for next year. We hope very much that you will be able to participate.

Best wishes,

Phil Cubbon
(Headteacher)
