

25th August 2023

Dear Parent / Carer

SATCHEL ONE

Satchel One (previously known as Show My Homework) allows students, parents and carers to see the full details of each of the homework and assessment tasks that have been set for their child/children. The deadline date for the task and any relevant resources which have been uploaded to complete the task are clear and accessible from each student's personal account. In addition to traditional internet access which is available at <https://www.satchelone.com/login> apps are available for Apple and Android devices.

Our experience of Dumfries High pupils, parents and carers using Satchel One over a number of years has been very positive and I am confident that the service will provide you with a deeper insight into the homework and assessment tasks your child receives. More importantly, I hope that it will improve pupils' organisation and time-management, help them to keep on top of their workload and support them in making good progress in all subjects.

Your login details for Satchel One have been issued to your child today along with their own logins. Once your login is activated you will be able to see the full features of Satchel One, with a personalised calendar showing your child's homework. I would be grateful if you could assist your child in activating their login for Satchel One by **Monday 28th August**.

A dedicated help page can be accessed at <https://help.satchelone.com> If you or your child have any questions about the service, please don't hesitate to contact me at the school or alternatively get in touch with the team at Satchel:One at <https://contactus.satchelone.com/> who are always happy to help

Yours sincerely

Phil Cubbon
Headteacher
