Welcome

Morgan Sindall are delighted to be delivering the new Dumfries High School project for hub South West, the Development Partner of Dumfries & Galloway Council.

second floor. Underfloor heating has now been installed on the 2nd and 1st floors which allows us to begin the commissioning process in the upcoming weeks.

Check out our progress images below, or take a closer look on our **project website**.

Project update

We are currently on **week 70** of the project. We are continuing to drop the external scaffold around the perimeter of the building and started cladding works to reveal the external finish of the school. Internally we have started installing ceiling grids to allow the Mechanical & Electrical services to begin their final fix on the

Work Experience

Work Experience Placement – Jamie Helley, a school pupil from Auchenharvie Academy, joined our project office for a work experience placement in August. Throughout her time with us, she shadowed several members of the Project Team to gain insight into our operations. Jamie said:

Everyone was very welcoming and took the time to include me, which made the whole experience informative and even more enjoyable. ”

Paid University Placement – Thomson Gray have a university student on a paid work experience placement. This individual will spend several months contributing to both our Dumfries High School and Orbiston Community Hub projects.

Healthy Employee

The Healthy Employee team was present in the Project office, where 24 employees from both MS and Supply Chain departments received health checks.
