Welcome

Morgan Sindall are delighted to be delivering the new Dumfries High School project for hub South West, the Development Partner of Dumfries & Galloway Council.

and fixed furniture install have also commenced on all floors. We also now have power to the building with lights now on the 1st & 2nd floors, this has allowed us to start the commissioning process on these floors.

Project update

We are currently on **week 92** of the project. We are continuing with the internal works where we are installing ceiling grids to allow the Mechanical & Electrical services to begin their final fix on the first and ground floors. Underfloor heating has now been completed in all areas of the school. Flooring works, joinery works,

Externally, landscaping works are continuing to all elevations of the building.
